Comments	I have been resident in Oxfordshire since 2004, and before that for another 10 years of my life - Oxford needs a local team with a world class stadium that they can be proud of. The proposal receives my full support - i will be able to travel by bus, bicycle or train, as opposed to having to drive to the current stadium. I am both "Gown" and "Town" - this project is something the whole city and county should be proud of.
