Comments	As a life long oxford fan remembering when my Dad use to take me to the manor ground with all that buzz and excitement as a young kid. I really wanna bring that to my two young boys, to have the opportunity to have a world class facility on our doorstep is a dream come true and one I hope the councillors and council do not pass bye. For me the benefits out way the negatives and I feel the club has done its due diligence on covering all aspects of the project to make it a real sustainable asset to the county on a whole. Like i said previously please don't pass this wonderful opportunity for Oxford United and the county, Many thanks Daniel
