Having grown up in Kidlington and experienced firsthand the inadequacy of its sporting facilities, with matches often postponed at Stratfield Brake due to flooding and substandard cricket pitches, I firmly believe that seizing this opportunity to bring world-class facilities to our county and Kidlington is crucial. The proposed stadium presents a unique chance to vastly enhance our community, offering a multitude of benefits including increased access to sports, educational opportunities, and improved health and wellbeing for local residents. My personal experience playing sports in Kidlington underscores the urgent need for this upgrade, and I urge you to please consider this unparalleled opportunity to elevate our county's sporting infrastructure.
