The football club is at the centre of Oxford as a community. You only have to witness the huge numbers of supporters who travel to wembley to watch the team in cup matches and playoff finals at wembley. 35000 fans is a quarter ifnthe population. The owner of the ground cannot be trusted and has shown numerous times that he will act only to preserve his own financial interests. That means the future of this club that so many love is at stake if we do not move to a new site. Please do the right thing for Oxfordshire and support this application. Our great city is depending on you. Thank you. David.
