As a supporter of Oxford United and a resident of Yarnton, I am writing to express my full support for the proposed development of the

Oxford United Stadium in Kidlington. Without this development, Oxford United could face homelessness by 2026. As a vital part of our community, it is imperative that the necessary steps are taken to secure the future of our beloved football club. This will facilitate the next stages of Oxford United securing a permanent home where it can thrive for generations to come.

I have been an OUFC supporter for over 55 years, and without this new stadium I am deeply concerned my football club will become extinct -

which will not only be bad for myself and fellow supporters but also for the city and county of Oxford in general.
