Comments	I would like to support Oxford United in their bid to build a new stadium on land known as the Triangle. I have lived in Oxfordshire all my life and it would be amazing to have a state of the art stadium in Oxfordshire. This is not just for Oxford United mens supporters but also for the woman's team and all the youth teams at Oxford United. It would also benefit all local sides and groups. It will be a centre for all of Oxfordshire residents. I look forward for your approval of this planning application and support for all Oxfordshire sports in this prestigious project.
