Comments	My Mum and Dad met at the Manor ground. I was born an Oxford united fan. The club is the city. Without it would be so so sad. Every town in the country has more than Oxford. We need this, not just for the football but for the town as a show piece to community involvement. If this ground is not approved then a 1000 houses will be built there instead causing more pollution than any football ground could cause. It's clearly the best place to have the ground right next to the train station. For Ron Atkinson, David langon, Johnny Aldridge and joey Beauchamp, let the legends live on in a new ground and on into the future that is OUR OXFORD UNITED.
