Comments	The chance to have a state of the art stadium in Oxfordshire will be a once in a lifetime opportunity . The fact the football will only take up a maximum of 30 days in a year will make distribution around the area minimal . With a greedy landlord charging an extortionate price to play at the k*ssam is unsustainable for the club . Without this new state of the art stadium the club could subsequently die . It's time to have a home to be proud of .
