

OXFORDSHIRE COUNTY COUNCIL'S RESPONSE TO CONSULTATION ON THE FOLLOWING DEVELOPMENT PROPOSAL

District: Cherwell

Application no: 23/00977/OUT

Proposal: Outline Planning Application (except for access) for residential development of up to 60 dwellings (Use Class C3) including a community facility, new vehicular and pedestrian access off Claydon Road, public open space and associated landscaping, earthworks, parking, engineering works and infrastructure

Location: OS Parcel 9195 North Of, Claydon Road, Cropredy

Response Date: 22/03/2024

This report sets out the officer views of Oxfordshire County Council (OCC) on the above proposal. These are set out by individual service area/technical discipline and include details of any planning conditions or Informatives that should be attached in the event that permission is granted and any obligations to be secured by way of a S106 agreement. Where considered appropriate, an overarching strategic commentary is also included. If the local County Council member has provided comments on the application these are provided as a separate attachment.

Assessment Criteria

Proposal overview and mix /population generation

OCC's response is based on a development as set out in the table below. The development is based on a SHMA mix.

Residential	
1-bed dwellings	8
2-bed dwellings	15
3-bed dwellings	26
4-bed & larger dwellings	11
Commercial – use class	<u>m²</u>
A1	49600.00

Based on the completion and occupation of the development as stated above it is estimated that the proposal will generate the population stated below:

Average Population	149.44000
Nursery children (number of 2- and 3-year olds entitled to funded places)	4.01000
Primary pupils	18.11000
Secondary pupils including Sixth Form pupils	14.21
Special School pupils	0.37398
65+ year olds	15.61000

Application no: 23/00977/OUT

Location: OS Parcel 9195 North Of, Claydon Road, Cropredy

General Information and Advice

Recommendations for approval contrary to OCC objection:

If within this response an OCC officer has raised an objection but the Local Planning Authority are still minded to recommend approval, OCC would be grateful for notification (via planningconsultations@oxfordshire.gov.uk) as to why material consideration outweighs OCC's objections, and to be given an opportunity to make further representations.

Outline applications and contributions

The anticipated number and type of dwellings and/or the floor space may be set by the developer at the time of application which is used to assess necessary mitigation. If not stated in the application, a policy compliant mix will be used. The number and type of dwellings used when assessing S106 planning obligations is set out on the first page of this response.

In the case of outline applications, once the unit mix/floor space is confirmed by reserved matters approval/discharge of condition a matrix (if appropriate) will be applied to establish any increase in contributions payable. A further increase in contributions may result if there is a reserved matters approval changing the unit mix/floor space.

Where a S106/Planning Obligation is required:

- **Index Linked** – in order to maintain the real value of S106 contributions, contributions will be index linked. Base values and the index to be applied are set out in the Schedules to this response.
- **Administration and Monitoring Fee -TBC**
This is an estimate of the amount required to cover the monitoring and administration associated with the S106 agreement. The final amount will be based on the OCC's scale of fees and will be adjusted to take account of the number of obligations and the complexity of the S106 agreement.
- **OCC Legal Fees** The applicant will be required to pay OCC's legal fees in relation to legal agreements. Please note the fees apply whether a S106 agreement is completed or not.

Security of payment for deferred contributions - Applicants should be aware that an approved bond will be required to secure a payment where a S106 contribution is to be paid post implementation and

- the contribution amounts to 25% or more (including anticipated indexation) of the cost of the project it is towards and that project cost £7.5m or more

- the developer is direct delivering an item of infrastructure costing £7.5m or more
- where aggregate contributions towards bus services exceeds £1m (including anticipated indexation).

A bond will also be required where a developer is direct delivering an item of infrastructure.

The County Infrastructure Funding Team can provide the full policy and advice, on request.

Application no: 23/00977/OUT

Location: OS Parcel 9195 North Of, Claydon Road, Cropredy

Transport Schedule

Recommendation:

Objection for the following reasons:

- Amendments needed to access arrangements drawing
- Clarification required on proposed bridge over canal

If despite OCC's objection permission is proposed to be granted then OCC requires prior to the issuing of planning permission a S106 agreement including an obligation to enter into a S278 agreement to mitigate the impact of the development plus planning conditions and informatives, as set out in our previous responses.

Comments

A draft Heads of Terms document has been submitted, which indicates that the developer is willing to make the transport contributions as previously requested by OCC, which is welcome. However, the contribution amounts should be subject to indexation as set out in our response of June 2023.

However, in our response of August 2023 we requested amendments and clarification to the access arrangements drawing, and clarification regarding the proposed bridge over the canal. This does not appear to have been addressed.

Lead Local Flood Authority

Recommendation:

No objection subject to conditions.

Condition:

Construction shall not begin until/prior to; a detailed surface water drainage scheme for the site, has been submitted to and approved in writing by the Local Planning Authority. The scheme shall be subsequently be implemented in accordance with the approved details before the development is completed. The scheme shall include:

- A compliance report to demonstrate how the scheme complies with the “Local Standards and Guidance for Surface Water Drainage on Major Development in Oxfordshire”;
- Full drainage calculations for all events up to and including the 1 in 100 year plus 40% climate change;
- A Flood Exceedance Conveyance Plan;
- Comprehensive infiltration testing across the site to BRE DG 365 (if applicable)
- Detailed design drainage layout drawings of the SuDS proposals including cross-section details;
- Detailed maintenance management plan in accordance with Section 32 of CIRIA C753 including maintenance schedules for each drainage element, and;
- Details of how water quality will be managed during construction and post development in perpetuity;
- Confirmation of any outfall details.
- Consent for any connections into third party drainage systems

Condition:

SuDS As Built and Maintenance Details

Prior to first occupation, a record of the installed SuDS and site wide drainage scheme shall be submitted to and approved in writing by the Local Planning Authority for deposit with the Lead Local Flood Authority Asset Register. The details shall include:

- (a) As built plans in both .pdf and .shp file format;
- (b) Photographs to document each key stage of the drainage system when installed on site;
- (c) Photographs to document the completed installation of the drainage structures on site;
- (d) The name and contact details of any appointed management company information.
