

OXFORDSHIRE COUNTY COUNCIL'S RESPONSE TO CONSULTATION ON THE FOLLOWING DEVELOPMENT PROPOSAL

District: Cherwell

Application no: 23/02098/OUT

Proposal: Outline application, with all matters reserved, for a multi-phased (severable), comprehensive residential-led mixed use development comprising: Up to 215,000 square metres gross external area of residential floorspace (or c.1,800 homes which depending on the housing mix could result in a higher or lower number of housing units) within Use Class C3/C4 and large houses of multiple occupation (Sui Generis); Supporting social infrastructure including secondary school/primary school(s) (Use Class F1); health, indoor sport and recreation, emergency and nursery facilities (Class E(d)-(f)). Supporting retail, leisure and community uses, including retail (Class E(a)), cafes and restaurants (Class E(b)), commercial and professional services (Class E(c)), a hotel (Use Class C1), local community uses (Class F2), and other local centre uses within a Sui Generis use including public houses, bars and drinking establishments (including with expanded food provision), hot food takeaways, venues for live music performance, theatre, and cinema. Up to 155,000 net additional square metres (gross external area) of flexible employment uses including research and development, office and workspace and associated uses (Use E(g)), industrial (Use Class B2) and storage (Use Class B8) in connection with the expansion of Begbroke Science Park; Highway works, including new vehicular, cyclist and pedestrian roads and paths, improvements to the existing Sandy Lane and Begbroke Hill road, a bridge over the Oxford Canal, safeguarded land for a rail halt, and car and cycle parking with associated electric vehicle charging infrastructure; Landscape and public realm, including areas for sustainable urban drainage systems, allotments, biodiversity areas, outdoor play and sports facilities (Use Class F2(c)); Utility, energy, water, and waste water facilities and infrastructure; together with enabling, site clearance, demolition and associated works, including temporary meanwhile uses. The Proposed Development affects the setting of a listed building and includes potential alterations to public rights of way. The application is accompanied by an Environmental Statement

Location: Begbroke Science Park, Begbroke Hill, Begbroke, OX5 1PF

Response Date: 29/04/2024

This report sets out the officer views of Oxfordshire County Council (OCC) on the above proposal. These are set out by individual service area/technical discipline and include details of any planning conditions or Informatives that should be attached in the event that permission is granted and any obligations to be secured by way of a S106 agreement. Where considered appropriate, an overarching strategic commentary is also included. If the local County Council member has provided comments on the application these are provided as a separate attachment.

Application no: 23/02098/OUT

Location: Begbroke Science Park, Begbroke Hill, Begbroke, OX5 1PF

General Information and Advice

Recommendations for approval contrary to OCC objection:

If within this response an OCC officer has raised an objection but the Local Planning Authority are still minded to recommend approval, OCC would be grateful for notification (via planningconsultations@oxfordshire.gov.uk) as to why material consideration outweighs OCC's objections, and to be given an opportunity to make further representations.

Outline applications and contributions

The anticipated number and type of dwellings and/or the floor space may be set by the developer at the time of application which is used to assess necessary mitigation. If not stated in the application, a policy compliant mix will be used. The number and type of dwellings used when assessing S106 planning obligations is set out on the first page of this response.

In the case of outline applications, once the unit mix/floor space is confirmed by reserved matters approval/discharge of condition a matrix (if appropriate) will be applied to establish any increase in contributions payable. A further increase in contributions may result if there is a reserved matters approval changing the unit mix/floor space.

Where a S106/Planning Obligation is required:

- **Index Linked** – in order to maintain the real value of S106 contributions, contributions will be index linked. Base values and the index to be applied are set out in the Schedules to this response.
- **Administration and Monitoring Fee -TBC**
This is an estimate of the amount required to cover the monitoring and administration associated with the S106 agreement. The final amount will be based on the OCC's scale of fees and will be adjusted to take account of the number of obligations and the complexity of the S106 agreement.
- **OCC Legal Fees** The applicant will be required to pay OCC's legal fees in relation to legal agreements. Please note the fees apply whether a S106 agreement is completed or not.

Security of payment for deferred contributions - Applicants should be aware that an approved bond will be required to secure a payment where a S106 contribution is to be paid post implementation and

- the contribution amounts to 25% or more (including anticipated indexation) of the cost of the project it is towards and that project cost £7.5m or more

- the developer is direct delivering an item of infrastructure costing £7.5m or more
- where aggregate contributions towards bus services exceeds £1m (including anticipated indexation).

A bond will also be required where a developer is direct delivering an item of infrastructure.

The County Infrastructure Funding Team can provide the full policy and advice, on request.

Strategic Planning

This response follows our earlier responses of 12/09/23, 02/10/23 and 31/01/24, further to the application amendment received in April 2024 which provides additional information requested by us as Lead Local Flood Authority.

In our last response sent on 31/01/24 we noted that there remained a point of Lead Local Flood Authority objection – that has now been overcome and there is no objection subject to conditions as set out attached.

There is no new Transport response yet, so the objection as set out in our last response on 31/01/24 remains.

On the PR8 site, in addition to this application and 23/03307/OUT which we have previously responded on, there is another application on adjoining land at Yarnton Home & Garden, ref: 24/00657/OUT, which we are separately providing a response on.

Lead Local Flood Authority

Recommendation:

No objection subject to conditions.

Condition:

Construction shall not begin until/prior to the approval; a detailed surface water drainage scheme for the site, has been submitted to and approved in writing by the Local Planning Authority. The scheme shall be subsequently be implemented in accordance with the approved details before the development is completed. The scheme shall include:

- A compliance report to demonstrate how the scheme complies with the “Local Standards and Guidance for Surface Water Drainage on Major Development in Oxfordshire”;
- Full drainage calculations for all events up to and including the 1 in 100 year plus 40% climate change;
- A Flood Exceedance Conveyance Plan;
- Comprehensive infiltration testing across the site to BRE DG 365 (if applicable)
- Detailed design drainage layout drawings of the SuDS proposals including cross-section details;
- Detailed maintenance management plan in accordance with Section 32 of CIRIA C753 including maintenance schedules for each drainage element, and;
- Details of how water quality will be managed during construction and post development in perpetuity;
- Confirmation of any outfall details.
- Consent for any connections into third party drainage systems

Condition:

Surface Water Management Scheme (Phases):

Prior to the approval of any related reserved matters, a detailed Surface Water Management Scheme for each phase or sub-phase of development, shall be submitted to and approved in writing by the Local Planning Authority. The scheme shall be in accordance with the details approved as part of the strategic scheme (Strategic Surface Water Management Scheme) and include all supporting information as listed in the Condition.

The scheme shall be implemented in accordance with the approved details and timetable.

Reason:

To ensure development does not increase the risk of flooding elsewhere; in accordance with Paragraph 155 of the National Planning Policy Framework (NPPF) and Local and National Standards.

Condition:

SuDS As Built and Maintenance Details

Prior to first occupation, a record of the installed SuDS and site wide drainage scheme shall be submitted to and approved in writing by the Local Planning Authority for deposit with the Lead Local Flood Authority Asset Register. The details shall include:

- (a) As built plans in both .pdf and .shp file format;
- (b) Photographs to document each key stage of the drainage system when installed on site;
- (c) Photographs to document the completed installation of the drainage structures on site;
- (d) The name and contact details of any appointed management company information.
