Comments	<input type="text" value="This would expand Cropredy outside the Village boundary. Important Countryside and Wild Life would be lost.
The extra traffic from the increase of at least 120 vehicles, plus delivery vehicles would put a great strain on Cropredy and Great Bourton roads.
There is a lack of public Transport. Local facilities would come under increased pressure. Cropredy is a Historical Village with character, and must be preserved. This development would over increase the Village population.
The Village does not need a community centre. A new village Hall, Doctors Surgery (already full to capacity) are not necessary.
Affordable Housing will not happen. These are the usual enticements or (BRIBES) in the plans which should be ignored.
Too many Villages have been spoilt by new developments, this must not happen to Cropredy.
KEEP CROPREDY RURAL."/>
