<b>Comments</b>	<input type="text" value="The proposed development is far to big for the infrastructure in the area. It effectively brings Bicester to the M40 with minor access roads which are already busy and overloaded junctions. The poor residents of Chesterton will see a major change in their village which will become a thoroughfare and the environment, which has already suffered greatly with the rapid expansion of Bicester, will be further devastated. Wolf developments already have a bad reputation in the States, so why allow them here. Bicester has enough problems as it is. Please do not allow this hideous project to go ahead."/>
