Comments	<input type="text" value="I object to the proposed development 23/00977/OUT for the following reasons;
1. The site is in open countryside and will mean loss of local habitat
2. Traffic will increase and the access road will lead into an already busy road. It is chaotic and sometimes dangerous when children are being delivered and collected from school.
3. There is a very poor bus service - only two a week - which will put more strain on already busy roads if more people have to use their own transport
4. The doctors surgery is already under pressure.
5. The school is already under pressure.
6. The sewerage is already under pressure.
7. Cherwell District Council has over 5 years housing supply so this 70 house development is not required."/>
