Proposal	Outline planning application for up to 176 dwellings and associated open space with all matters reserved other than access
Case Officer	David Lowin
Organisation Name	Simon Gear
Address	Tudor Cottage, Church Lane, Hanwell, Banbury, OX17 1HN
Type of Comment	Objection
Type	neighbour
Comments	<p>This development will seriously encroach on the village of Hanwell. The village, is just that, a village, and one with a long and significant part in English history (we live in house where real archaeological relics directly associated with Oliver Cromwell were found). By bringing Banbury so close, this will forever destroy the uniqueness of the village. This is not to mention the environmental impact it will have, by destroying the beautiful natural countryside. We have already had a large development (Hanwell Fields) encroach on the village, so no more is needed. Traffic is already a noise and safety hazard on the Warwick Rd, so adding another 350-400 cars to this area of road, will add to this problem. And is always the case with these "modern" developments, the surrounding infrastructure required to make it work, is simply ignored for cost reasons, adding untold problems to local residents already living in the surrounding area. Please do not allow this development to happen!</p>
