Comments	<input type="text" value="Hanwell is a small 800 -year-old village. situated in a conservation area which is surrounded by countryside fields. We purchased our house because of the above reasons. RURAL, QUIET and NOT a town.
We object in the strongest terms to being swallowed up into a large housing estate of lego brick houses that won't last 8 years let alone 800! More speculative housing, driven by money and box ticking we do not need or want and we will fight it. Once gone, the habitat is gone FOREVER. Not on our watch, we are custodians, not owners!
Leave our village alone and go and develop in a town."/>
