Comments	<input type="text" value="Unacceptable increase of road traffic on country roads increased levels of pollution. M40 A41 A43 all have problems with queuing traffic. Recent road improvements have not helped traffic flow. Bicester cannot cope now with the traffic going to the Bicester Shopping Outlet. Yet more of our green belt is under threat. This will have a major impact on our wildlife. We already have seen a dramatic drop in hawks, frogs, hedgehog and grass snakes over the, past 30 years that we have lived here in Bicester."/>
