<b>Comments</b>	<p>Policy ESD13 of the Cherwell Local Plan Part 1 states that: "Development will be expected to respect and enhance local landscape character, securing appropriate mitigation where damage to local landscape character cannot be avoided. Proposals will not be permitted if they would: Cause undue visual intrusion into the open countryside; Cause undue harm to important natural landscape features and topography; Be consistent with local character; Harm the setting of settlements, buildings, structures, or other landmark features; Harm the historic value of the landscape.</p> <p>The proposed further building would destroy the local green areas . More trees not houses</p>
