Comments	<p>I object to further development of the area of Hanwell Fields, Hanwell. Village and surrounding areas. The area is overdeveloped and is eroding the green areas that we need to sustain life both animal and human. The infrastructure is not supported the roads around do not support further development they are in disrepair , the pavements in Hanwell village are dangerous they are uneven and narrow the influx of traffic cutting through has increased and cars often mount the pavement. The roads are pot holes due to volume of traffic. Further building will make this worse.</p> <p>We should be planting trees not cutting them down we will soon have no green and pleasant areas for recreation. Enough is enough stop the greed now! Take a look at what needs fixing before making matters worse .</p>
