Comments	<input type="text" value="I would like to object to the proposal to build the Great Wolf Water Park on the back 9 of the Bicester Golf Course in Chesterton. My grounds for doing so are that the additional 500,000 visitor vehicles coming into this village location each year will cause considerable traffic and pollution issues for Chesterton and the surrounding area. The existing local roads are already under pressure from the increase in traffic from Bicester's prodigious expansion over the last few years. A further increase of this magnitude will cause significant congestion and cannot be justified. This planning application must be rejected."/>
