

Upper Heyford Schedule RD-4aa: Building Significances; and Retention and Proposed Use Class

The building and functional significances have been defined in accordance with the RAF Upper Heyford Conservation Plan. Likewise visibility from outside the site is taken from the LDA report issued in 1997 as reported in the Conservation Plan.

Where buildings or structures are to be retained, these are identified and a proposed Use Class is also indicated.

Plan Reference	Building Type/Postal Address	Overall Significance	Significance as a building	Functional Significance	Landscape Significance	Visibility from outside the site	Effect on rural Idsp	Retention and proposed Use Class
1	1 & 3 Soden Road, Dwellinghouses	Not included within the parameters of the Conservation Plan		Low				Makes a positive contribution to the character/appearance of the Conservation Area, suitable for retention as dwellinghouses. Use Class C3 proposed.
2	2 Soden Road, Dwellinghouse	Not included within the parameters of the Conservation Plan		Low				Makes a positive contribution to the character/appearance of the Conservation Area, suitable for retention as dwellinghouses. Use Class C3 proposed.
3	5 & 7 Soden Road, Dwellinghouses	Not included within the parameters of the Conservation Plan		medium				Makes a positive contribution to the character/appearance of the Conservation Area, suitable for retention as dwellinghouses. Use Class C3 proposed.
4	4 Soden Road, Dwellinghouse	Not included within the parameters of the Conservation Plan		Low				Makes a positive contribution to the character/appearance of the Conservation Area, suitable for retention as dwellinghouses. Use Class C3 proposed.
5	9 Soden Road, Dwellinghouse	Not included within the parameters of the Conservation Plan		Low				Makes a positive contribution to the character/appearance of the Conservation Area, suitable for retention as dwellinghouses. Use Class C3 proposed.
6	6 & 8 Soden Road, Dwellinghouses	Not included within the parameters of the Conservation Plan		Low				Makes a positive contribution to the character/appearance of the Conservation Area, suitable for retention as dwellinghouses. Use Class C3 proposed.
7	11 Soden Road, Dwellinghouse	Not included within the parameters of the Conservation Plan		medium				Makes a positive contribution to the character/appearance of the Conservation Area, suitable for retention as dwellinghouses. Use Class C3 proposed.
8	1 Larsen Road, Dwellinghouse	Not included within the parameters of the Conservation Plan		Low				Makes a positive contribution to the character/appearance of the Conservation Area, suitable for retention as dwellinghouses. Use Class C3 proposed.
9	3 Larsen Road, Dwellinghouse	Not included within the parameters of the		Low				Makes a positive contribution to the character/appearance of the Conservation Area, suitable

		Conservation Plan						for retention as dwellinghouses. Use Class C3 proposed.
10	5 & 7 Larsen Road, Dwellinghouse	Not included within the parameters of the Conservation Plan		Low				Makes a positive contribution to the character/appearance of the Conservation Area, suitable for retention as dwellinghouses. Use Class C3 proposed.
11	9 & 11 Larsen Road, Dwellinghouse	Not included within the parameters of the Conservation Plan		Low				Makes a positive contribution to the character/appearance of the Conservation Area, suitable for retention as dwellinghouses. Use Class C3 proposed.
13 - 20	13 – 20 Trenchard Circle, Dwellinghouse	Not included within the parameters of the Conservation Plan		Low				Makes a positive contribution to the character/appearance of the Conservation Area, suitable for retention as dwellinghouses. Use Class C3 proposed.
22 24	22 & 24 Trenchard Circle, Dwellinghouse	Not included within the parameters of the Conservation Plan		Low				Makes a positive contribution to the character/appearance of the Conservation Area, suitable for retention as dwellinghouses. Use Class C3 proposed.
25 - 44	25 – 44 Trenchard Circle, Dwellinghouse	Not included within the parameters of the Conservation Plan		Low				Makes a positive contribution to the character/appearance of the Conservation Area, suitable for retention as dwellinghouses. Use Class C3 proposed.
52	Heyford Park offices			Medium				Retained as B1 office use. Subject of permanent planning permission for this use already.
74	Officers Mess Building	Not included within the parameters of the Conservation Plan		Medium				Prestigious building. Proposed for use as Hotel/Conference Centre (Mix Class C1/D1).
75	Water Tank							Retain, nil use.
77	Innovation Centre	Not included within the parameters of the Conservation Plan		Low				Currently in use - to be retained for B1 and B2 uses. Subject of permanent planning permission already.
78	Innovation Centre	Not included within the parameters of the Conservation Plan		Low				Currently in use - to be retained for B1 and B2 uses. Subject of permanent planning permission already.
80	Workshop / Carwash	Not included within the parameters of the Conservation Plan		Negligible				Currently in use and to be retained for B2 and B8 use
89A	Petrol pump booth	Not previously specifically appraised in						To be retained. Sui generis use class.
100		Not included within the parameters of the Conservation Plan		Medium				Currently in use and to be retained for B1 use.
103	Workshop	Not included within the parameters of the Conservation Plan		Low				To be retained as restaurant /public house use (Class A3/A4).

Plan Reference	Building Type/Postal Address	Overall Significance	Significance as a building	Functional Significance	Landscape Significance	Visibility from outside the site	Effect on rural idsp	Retention and proposed Use Class
125	Office	Not included within the parameters of the Conservation Plan		Low				Currently in use and to be retained for B1 use.
126	Battle Command Centre *	National	International	Very High Significance	Local	Medium		Recognised of being of National Importance Vacant building, retained in association with adjacent Heritage Centre (Use Class D1)
129	Hardened Telephone Exchange *	National	Regional	Very High Significance	Local			Recognised of being of National Importance Vacant building, retained in association with adjacent Heritage Centre (Use Class D1)
151	A Frame hangar			Medium				Vacant building which is capable of conversion to employment use in the settlement area. Retained for B2 and B8 use.
158	Store			Medium				Currently in use but to be retained for B8 use.
172	A Frame hangar	Not included within the parameters of the Conservation Plan		Medium				Building which is in employment use in the settlement area. Retained for B2 use.
181	ECP	National	Minor	Regional	National			Retain, nil use.
182	ECP	National	Minor	Regional	National			Retain, nil use.
183	Pill box (Area 9)	Minor	Minor	Minor	Minor			Retain, nil use.
184	ECP Pill box (Area 9)	Local	Local	Local	Local			Retain, nil use.
185	ECP Pill box (Area 9)	Local	Local	Regional	Regional			Retain, nil use.
186	ECP Pill box (Area 9)	Minor	Local	Regional	Minor			Retain, nil use.
186 CAS	Pill box (Area 9)	Minor	Minor	Minor	Minor			Retain, nil use.
187	Pill box (Area 9)	Minor	Minor	Minor	Minor			Retain, nil use.
189	ECP	Local/Reg	Local	Local	Local/Reg			Retain, nil use.
195	ECP	Local	Minor	Local	Local	Medium		Retain, nil use.
197	Pumping Station	Minor	Minor	Minor	Minor			Retain, nil use.
198		Minor	Minor	Minor	Minor			Retain, nil use.
201	Generator and sub station (Area 9)	Minor	Minor	Minor	Minor			Retain, nil use.
202	Sub station	Minor	Minor	Minor	Minor	High/Medium M	Low	Retain, nil use.
203		Minor	Minor	Minor	Minor			Retain, nil use.
204		Minor	Minor	Minor	Minor			Retain, nil use.

*These buildings are of national significance in relation to the functioning of the airbase as a whole but within the criteria used for functional significance set out in 3.21.5 of Volume 1 they are of local significance.
