

Upper Heyford Schedule RD-4b: Building Significances and Proposed Demolition

The building and functional significances have been defined in accordance with the RAF Upper Heyford Conservation Plan. Likewise visibility from outside the site is taken from the LDA report issued in 1997 as reported in the Conservation Plan.

Where buildings or structures are proposed to be demolished, these are identified and the relevant reason noted.

Plan Reference	Building Type/Postal Address	Overall Significance	Significance as a building	Functional Significance	Landscape Significance	Visibility from outside the site	Effect on rural Idsp	Demolition and reason
21 23	21 & 23 Trenchard Circle, Dwellinghouse	Not included within the parameters of the Conservation Plan		Low				To be demolished
32 32a 32c 32d 34	Workshops / Storage	Not included within the parameters of the Conservation Plan		Low				In current employment use but is to be demolished. Not assessed as contributing either architecturally or historically to the character of the Conservation Area.
32 2x 3x 4x	Portacabin structures	Not included within the parameters of the Conservation Plan		Low				To be demolished
35	Industrial Shed	Not included within the parameters of the Conservation Plan		Low				In current employment use but is to be demolished. Not assessed as contributing either architecturally or historically to the character of the Conservation Area.
36	Office	Not included within the parameters of the Conservation Plan		negligible				Not assessed as contributing either architecturally or historically to the character of the Conservation Area.
38	Carwash structure	Not included within the parameters of the Conservation Plan		Negligible				Not assessed as contributing either architecturally or historically to the character of the Conservation Area.
41	Dormitory block	Not included within the parameters of the Conservation Plan		Low				Not assessed as contributing either architecturally or historically to the character of the Conservation Area.

Plan Reference	Building Type/Postal Address	Overall Significance	Significance as a building	Functional Significance	Landscape Significance	Visibility from outside the site	Effect on rural Idsp	Demolition and reason
51	Office	Not included within the parameters of the Conservation Plan		Medium				Not assessed as contributing either architecturally or historically to the character of the Conservation Area.
53	Office	Not included within the parameters of the Conservation Plan		Low				Not assessed as contributing either architecturally or historically to the character of the Conservation Area.
54	Boiler Room	Not included within the parameters of the Conservation Plan		Low				Not assessed as contributing either architecturally or historically to the character of the Conservation Area.
56	Office	Not included within the parameters of the Conservation Plan		Low				In current use but is to be demolished. Not assessed as contributing either architecturally or historically to the character of the Conservation Area.
59	Office	Not included within the parameters of the Conservation Plan		Low				Not assessed as contributing either architecturally or historically to the character of the Conservation Area.
62-69	Workshop	Not included within the parameters of the Conservation Plan		Low				Not assessed as contributing either architecturally or historically to the character of the Conservation Area.
63	Water tank	Not included within the parameters of the Conservation Plan		Low				Not assessed as contributing either architecturally or historically to the character of the Conservation Area.
64	Store	Not included within the parameters of the Conservation Plan		Low				Not assessed as contributing either architecturally or historically to the character of the Conservation Area.
65	Office	Not included within the parameters of the Conservation Plan		Low				Not assessed as contributing either architecturally or historically to the character of the Conservation Area.
66	Office	Not included within the parameters of the Conservation Plan		Low				In current use but is to be demolished. Not assessed as contributing either architecturally or
