Dear Mr. Chadwick,

**Upper Heyford:
Duplicate Outline Planning Application for New Settlement**

Further to the decision of the North Oxfordshire Consortium to appeal against the non-determination of the November 2007 outline application by your authority within the statutory period, please find enclosed a duplicate outline application.

The appeal against non-determination has been lodged with the Planning Inspectorate this afternoon.

This duplicate application has therefore been submitted in order to allow discussion to continue, hopefully once we have received your authority's views which at the time of writing we are still awaiting.

As this is an identical submission to the previous application as it stood as appealed today, no further planning fee is payable.

Yours sincerely,

MERVYN DOBSON
Partner

Enc 10 copies of duplicate planning application and supporting material

PS Since drafting this letter, correspondence arrived today in connection with the earlier planning application setting out your authority's position.
