General Note: This plan shows the location and approximate height of trees on the site. It is not intended to be a botanical survey. The survey was carried out on 10/10/2013. The site is located at South Lodge, Fringford Road, Carefield Lane, Carefield, Northampton, NN16 9LW. The site is bounded by Fringford Road to the north, Carefield Lane to the east, and a field to the south and west. The plan shows the location of trees and their approximate heights. The trees are shown in green circles with their diameters and heights indicated. The diameters are given in centimeters and the heights are given in meters. The trees are shown in their approximate positions on the site. The plan is a plan of the site and does not show the ground level. The ground level is shown in the plan by the red lines. The plan is a plan of the site and does not show the ground level. The ground level is shown in the plan by the red lines.
