I am writing to you to object to the appeal by Mr Noquet of Bishop End Re the above reference number. As one of the 524 members of the Bishop Blaize Support Group I would like to state that I agree will all the points made in the representation that you have already received from our coordinator. I would however just like to say that the points that Mr Noquet is appealing were actually put there for a reason and as far as I can tell, nothing has changed since they were made so I can see no reason for any alterations. Therefore I ask you to reject this appeal.

Yours sincerely

Nigel Bryan
