

HAVE YOUR SAY

Your comments and suggestions will be taken into account when formulating the final planning application submission. All comments and feedback will be provided to the Local Planning Authority as part of the planning application.

Once a planning application has been submitted you will also be able to make further representations to Cherwell District Council who will take these into account before making their decision on the planning application.

You can keep up to date on progress using our dedicated website which provides further information and includes an online feedback form for making comments:

Gladman consider all correspondence received and our response to the issues raised will be set out in a Statement of Community Involvement (SCI). As part of a planning application, Gladman submit to the Local Planning Authority a complete copy of all correspondence received (including any details such as you name, address and email where you have provided them). This ensures all your comments are available to the Council during the consideration of an application and shows who we have consulted. As the SCI forms part of the formal application documents, the Council may publish it online, subject to their own Data Protection policies. Should the application be the subject of an appeal, the same information will be forwarded to the Planning Inspectorate. If further consultation is carried out as part of the planning process, Gladman may use your details to make you aware of this and to ask for your views, but will not use this information for any other purpose.
