Morning,

Thank you for the update on the proposal for the marina.

In theory, this would be of interest to school to support teaching and learning.

I will forward the information to the governors and staff as well.

Kind regards,

Hilary

Dear Debi,

Thank you for your email and the details regarding your proposal for a new canal marina. It may well be of interest to our school, especially if there were facilities for children to 'pond dip'.

Kind regards,

Hilary

Dear Debi

That sounds really exciting and I know that if there is a requirement in the Curriculum for this type of thing. In covering the curriculum, we would consider all possibilities to enrich childrens' learning experience, including any suitable provision in the immediate area.

Please let us know how things are going with it all.

Kind regards

*Oliver Johnson, Executive Headteacher of **Culworth** and **Boddington** Primary Academies*
