Subject: 31036-A3-NW Bicester (21/01630/OUT)-Updates further to Thursday's meeting (without prejudice)
Importance: High

Morning Caroline and Alex,

I hope you both had a good weekend.

Further to our discussions on Thursday last week, please can we have an update on the following:

- Bioregional response;
- Extension of determination period to 9th December;
- Further discussions with OCC Highways regarding their position;
- Arrangements for the Members briefing; and
- Consultee responses on the GCN Mitigation Strategy.

We are happy to arrange a quick Teams call should it be easier to discuss any of these points in that way.
