Subject: 21/01630/OUT - Firethorn site - Extension of Time

Dear Hannah

We have reviewed your request to agree an extension of time (EoT) for the determination of application 21/01630/OUT.

We will continue to work with you to achieve our shared desire to see the application being included on the next committee agenda for the meeting to be held on the 8 December 2022.

We note that should the outcome of the meeting be positive, your client is happy to extend the determination period again, as required, to facilitate the negotiation of a S106 agreement.

However, should the outcome not be positive, the Council may need time to process a refusal which could involve the need for consultation with the Chairman of the Committee. With this in mind we would agree to a new EoT date of **Monday 12 December 2022**.

Please let me know if your client is happy to agree this suggested date.

Kind regards, Alex
