## **YOUR COMMENTS ON THE CASE**

We do not need any more housing in Ambrosden. Our village is being destroyed by the continuous building!! There are plenty more villages around Bicester that could have land developed, why is it always Ambrosden that is the target!? We are surrounded by fields that are used as flood planes, where will this water go when you continue to build. Has anyone from the council actually bothered to come and see the remaining fields around the village after days of heavy rain and seen the water above the fence line!! The road through ambrosden cannot take any more traffic. We can't even get current children into local schools how do you expect to educate more children. Trying to get an appointment with a GP is impossible yet you want more people moving into the area!! Building in this area must stop!! Ambrosden does not want to be a part of Bicester, we are a historical medieval village being destroyed by greed!! Leave us and the wildlife and our countryside alone!!
