<b>Comments</b>	<input type="text" value="I thoroughly disapprove of this planning application. Wildlife,birds,animals, human lives and Pete will all suffer from this development IF it is approved by the council. I am disabled,&amp; this ground is my peaceful place when I'm wheeled there. I watch animals,nature and trees in this location. Wildlife will be killed ,peace and clean air will be trashed to pieces. Residents have to queue now to get out of ambroseden, how will the all school cope with hundreds more schoolchildren. How will the single road cope out of the village? It needs speeding cameras now. Human adult and children's lives will cease with even more houses,visitors and cars in this small village. How do the existing disabled and elderly and young with breathing difficulties cope with more queues,pollution and more dort,sand and chemicals everywhere. IT WILL DESTROY NATURE,PLANTS,TREES,LAND AND EARTH AND LIVES!! STOP IT NOW AND SAVE EXISTONG WILDLIFE AND HUMAN LIVES. SOMEONE ADULT OR CHILD WILL BE KILLED FROM POLLUTION AND OR TRAFFIC HERE. ITS AGAINST NATURE."/>
