YOUR COMMENTS ON THE CASE

I live in the estate next to where this development is proposed for. My son has to travel 4 miles to get to school as there are not enough school places for the amount of children in the area. My doctors is also 4 miles away and my dentist is 3 miles away. The infrastructure is not in place for extra homes in this area. There is also the issues of traffic caused by construction vehicles and road closures. This has been unanimously voted against for a reason and that should tell you why this proposal is not welcome.
