YOUR COMMENTS ON THE CASE

I strongly object to the build of 170 homes in our neighboring fields because I feel it will harm an area of high landscape value and erode an important gap of undeveloped land, that is protected under existing planning policy. The plan would also have a high impact on the environment & biodiversity and loss of high-grade (Grade 2 and 3a) farmland crucial for sustainable farming and food security. As a dog walker, and a strong reason for choosing to live in Hanwell, I exercise the fields and open land for my wellbeing 2 times per day, this means the loss of amenities. And as a daily driver to Bicester for work, congestion has already dramatically increased due to an increased population, and this is exacerbate the issue causing more safety issues. If the planning were to go ahead, it would result in the loss of important public views too. Hanwell Village is a thriving village community with strong identity, I feel this will be lost if the planning was granted.
