YOUR COMMENTS ON THE CASE

I have been a resident on Hanwell Fields since 2005 and have seen a substantial amount of housing development in this time. The investment in infrastructure and local services doesn't keep pace with this. The impact on our wildlife and the environment is also huge. The bat boxes are vandalised and the badgers are rarely sighted now. We need a balance of housing and green space. I use these fields to walk and this is important for my well being. I object to this development.
