## **YOUR COMMENTS ON THE CASE**

I submitted a document against the planning permission previously.

I feel that it is essential to not merge Hanwell Village with Banbury. I live on the neighbouring Hamwell Chase estate and one of the few joys of the local area is being able to walk in the countryside, which it appears is being quickly eaten up by housing estate after housing estate. This was one of the only joys during lockdown and without it I feel that people's mental health would have suffered even more greatly. The hedgerows are being cut down and animals are being turfed out. We aren't seeing anywhere the biodiversity we used to. Building upon the land proposed will impact this further.
