YOUR COMMENTS ON THE CASE

I strongly object to any further housing being built between Banbury and Hanwell. I live in Hanwell Fields and the beauty of the fields is the reason I purchased my house a year ago. It brings me such joy to view the open countryside. This proposed development will bridge the gap between town and village and set a sad and greed-focussed precedent for future development the length of the border between Banbury and Hanwell. We must keep our countryside and protect the wildlife and farmland that it provides. We have other spaces that are less aesthetically and environmentally valuable which any further homes might be built on, which do not encroach upon such an important border between Banbury and Hanwell. The local schools and other provisions cannot support additional development either without extra resource. I feel that this development would be highly detrimental to our local communities and I strongly object to it.
