- Statement of Common Ground
- Interested Party/Person Correspondence
- Other

YOUR COMMENTS ON THE CASE

We would like to strongly OBJECT to the proposed development of up to 170 houses being built. This will harm an area of high landscape value, having a negative impact on the conservation area. This development will cause more traffic congestion along an already busy road. It will result in a loss of amenity and green space. Once these houses have been built the developers could continue to build along all the fields further encroaching onto Hanwell Village.
