Comments	<p>I wish to STRONGLY object to the proposal to build 170 houses on the edge of Banbury and very edge of Hanwell village. Hanwell is a historic village in a Conservation Area, with it's own rural identity and strong community. This development will effectively adjoin it to Banbury, which would be a huge detriment and affect all those living in the village, be it increased traffic through narrow village lane (already a very bad rat-run with increased housing), pollution, loss of essential amenity/farmland.</p> <p>Crucially the site of the proposed development is not allocated for development, so permitting this application would be contrary to the adopted Cherwell Local Plan 2011 - 2031.</p> <p>Banbury villages deserve to be preserved, not ruined and amalgamated into a a sprawling Banbury which has seen a huge increase in additional housing over the last few years, with no improved infrastructure - very poor roads, traffic congestion, huge pressure on NHS services, lack of schools and lots of our green fields being built on.</p> <p>This application must be REFUSED.</p>
