

NEW DWELLINGS IN THE COUNTRYSIDE

H18 PLANNING PERMISSION WILL ONLY BE GRANTED FOR THE CONSTRUCTION OF NEW DWELLINGS BEYOND THE BUILT-UP LIMITS OF SETTLEMENTS OTHER THAN THOSE IDENTIFIED UNDER POLICY H1 WHEN

- (i) IT IS ESSENTIAL FOR AGRICULTURE OR OTHER EXISTING UNDERTAKINGS, OR
- (ii) THE PROPOSAL MEETS THE CRITERIA SET OUT IN POLICY H6; AND
- (iii) THE PROPOSAL WOULD NOT CONFLICT WITH OTHER POLICIES IN THIS PLAN.

2.33 Policy H18 is a continuation of past policies and reflects Central Government advice. Its intention is to ensure that the countryside is protected from sporadic development whilst, at the same time, recognising the legitimate needs of agriculture and forestry.

2.34 'Essential' will normally be interpreted as a proven necessity for a worker to live at or very close to the site of their work ie it is necessary for the proper functioning of the enterprise for a new dwelling to be occupied by a worker in connection with it. Sufficient details should be provided to enable an assessment of the size, nature and viability of the existing or proposed enterprise together with details of the number and tenure of existing dwellings related to the holding or estate. Where there is any doubt that a dwelling is required for the proper functioning of an enterprise, or where a new business is being proposed, it will be necessary to supply adequate financial information to demonstrate that the proposals are sound. In particular the Council will wish to be satisfied that such need as might exist could not be reasonably secured in a nearby settlement.

2.35 When an essential need has been proven, the Council may still resist the erection of a new dwelling if the opportunity to convert an existing redundant building in compliance with policy H19, H20 or H21 exists on the land. The erection of a new dwelling will normally be expected to be of traditional design and be closely related to existing buildings in the interest of protecting the appearance and open character of the countryside.

2.36 All planning permissions for agricultural dwellings outside the villages will contain an agricultural-occupancy condition restricting their occupation to a person or persons employed or last employed in agriculture and their immediate dependants. Such conditions will only be removed if it can clearly be demonstrated that there is no need for an agricultural worker's dwelling in the locality. The requirements of any given farm holding will be considered secondary to the needs of agriculture as a whole.

2.37 Policy H18 will also apply to locations where there are already a few scattered buildings.
