I am writing to object to this application.

I do not accept that 7 new homes will be almost invisible - certainly the building process will be awful in terms of noise and traffic in what is an already confined area of the village. The narrow lanes were not built to carry the sort of vehicles that will be needed.

The Bishop Blaze was a unique and thriving centre of our community. There was a strong customer base and the loss of it still sadness me. The pub changed hands and new landlords failed to continue it's success. From the start I believe the owners bought the pub with the sole intention of turning it into a house...now 7 houses!

I'm objecting because I want the pub back...for the village people.

No more houses in Sibford!
