## Notes

1. The drawing incorporates the proposed masterplan (1135_045DMasterplan1250) produced by Roger Evans Associates on 12.06.07
2. Indicative HV cable routes and locations of new and existing electrical sub-stations to be confirmed by Scottish & Southern Energy Ltd following detailed review of the network. Final locations of sub-stations indicatively shown and subject to relocation production upon detail masterplan design.
3. Please note that proposed utility routes are indicative and subject to future route proving. Primary routes shown subject to avoidance of existing mature tree roots that are protected. Lateral utility building connections not detailed on this drawing.

## Legend

- Site boundary
- Proposed HV electrical route
- Existing HV electrical route
- HV — Existing HV electrical route abandoned
- AV — Existing Sub station and reference
- AV — Proposed or relocated Sub station and reference
