Subject: New comments for application 19/01705/OUT

New comments have been received for application 19/01705/OUT at site address: Land Adjoining
And West Of Bloxham Recreation Ground South Newington Road Bloxham

from Chris Hill

Address:

11 Heath Close, Milcombe, Banbury, OX15 4RZ

Comment type:

Objection

Comments:

I object to this development on the following reasons.

1. It is not required. Bloxham has been developed massively over the last few years and cannot support this development.
2. The local schools are full and cannot take any children from the development.
3. The local food shops would be insufficient, thus causing more travel to Banbury.
4. The amount of road travel through the village is already an issue, especially since the main road is the route to Chipping Norton as well as to South Newington, Milcombe and Hook Norton.
5. The development is south of the old Banbury-Cheltenham railway line, which forms a natural boundary for the southern edge of Bloxham in that direction.

Case Officer:
