Subject: New comments for application 19/01705/OUT

New comments have been received for application 19/01705/OUT at site address: Land Adjoining
And West Of Bloxham Recreation Ground South Newington Road Bloxham

from David Quinney

Address:

12 Colesbourne Road, Bloxham, Banbury, OX15 4TB

Comment type:

Objection

Comments:

Bloxham is far big enough already, we have one shop that is already struggling to meet the residents needs and one primary school that is overflowing at the seams. The development is not just adding new houses but extending the length of Bloxham further and only fields away from another village, Milcombe. My son is only 7 and he has seen at least 5 developments in Bloxham in his life time. Enough is enough!

Before Bloxham consider any more housing developments, then you must improve the shops and car park facility, doctors and dentist services now to help the current Bloxham residents but most importantly the primary school already needs extending to help deal with the current demands. The South Newington Recreation Ground and The Slade Nature Reserve is a place that families and dog walkers go for some peace and quiet away from the centre of Bloxham and me for one find both areas relaxing and calming. I'm also concerned that building more houses will affect the wildlife in the area.

Case Officer:
