Subject: New comments for application 19/01705/OUT

New comments have been received for application 19/01705/OUT at site address: Land Adjoining
And West Of Bloxham Recreation Ground South Newington Road Bloxham

from Huw Moseley

Comment type:

Comments:

Schools are already overcrowded due to numerous other developments. Further strain will be placed upon the other services namely the doctors (which is now significantly impacted already on appointment waiting lists). The traffic is already horrendous but adding further housing on this route will I'm sure improve this! Further, I have seen a deterioration in the standard of people in this village which like it or not is due to the high level of social housing that we now keep adding to- this is fact even if some wouldn't like to have to admit.
