Subject: New comments for application 19/01705/OUT

New comments have been received for application 19/01705/OUT at site address: Land Adjoining And West Of Bloxham Recreation Ground South Newington Road Bloxham

from Keith Thomas

Address:

20 Colesbourne Road, Bloxham, Banbury, OX15 4TB

Comment type:

Objection

Comments:

The proposed application would add considerable strain on the existing inadequate village infrastructure. School places at ALL ages are oversubscribed with Pre-school and junior schools full beyond demand and Warriner is also full top capacity. Perhaps an additional Primary should be included to ease the burden and to help with Milton and Adderbury provision as well as other local villages.

Additional traffic will strain the already busy thoroughfares especially the Banbury - Chipping Norton Road.

Local shops and health services are under strain and lack of parking in retail area causes severe congestion. Additional private, commercial and services traffic will cause undue further delays as will necessary School transport to cater for taking pupils to other school catchments areas with Bloxham full.

Flooding on the playing field is already a regular issue and the flow off to the base level of the site and the stream through the village to Banbury is more than likely to be an issue.

Case Officer:

Samantha Taylor
