Subject: New comments for application 19/01705/OUT

New comments have been received for application 19/01705/OUT at site address: Land Adjoining And West Of Bloxham Recreation Ground South Newington Road Bloxham

from Avril Andrews

Address:

10 Hyde Grove, Bloxham, Banbury, OX15 4HZ

Comment type:

Objection

Comments:

A few years ago we had one day of moderate rain that progressed throughout the day to heavy rain, this resulted with the Brook that runs through the village of Bloxham bursting its banks flooding Brookside Way, Cumberland, Tadmarton Road, Greenhills Park and Little Bridge Road.

Many houses on Tadmarton Road and the bottom of Cumberland were flooded. The council were sent out with sandbags to help the emergency and all the villagers pulled together to help.

The land drainage pipe which takes the water from the nearby fields (i.e. the development site in question) situated on Brookside Way was at full force and could not cope.

We have been warned with global warming that is going to be a natural regular occurrence !

Bloxham has been the target area with 5 new developments surely it's time to look elsewhere.

Case Officer:

Samantha Taylor
