Dear Samantha Taylor,

we are writing to register our objections to the proposed development on the South Newington Road. We have watched the population jump from about 700 in 1970 to the size of a small town now. We recognise that people need homes, but not all in one village. The proposed build is outside the natural borders of the village alongside a footpath to Milcombe and more importantly, it will destroy a medieval "Ridge and Furrow" field. We feel that this an important place that should be preserved and where would the children go to school as the primary school is completely full?

Yours Sincerely,

N.B we do not possess a computer, only a postal address
