Comment type:

Objection

Comments:

I am strongly opposed to the proposed development on the grounds that village facilities are groaning at the seams, the schools are full, the development is outside the parish boundary on an historic ridge and furrow field and that the precious resource that is the slade local nature reserve will be severely impacted by the development. The area surrounding the nature reserve is vital to it's diversity - the area cannot retain it's habitats and flora and fauna if it exists as an island in the middle of housing estates. There will be increased traffic through the reserve - also affecting it's diversity.
