Comments:

I have lived in Bloxham for 25 years in total, and grew up here. The village has grown in size vastly in that time, and yet we seem to have the same, if not less facilities. I often get caught in traffic just to get out of the village. The roads are dangerous, the amount of cars I see mounting the pavements at school times I could not tell you. But it is every day! We certainly do not need more houses and more traffic! The primary school is over subscribed and can not expand. I walk over these fields they are proposing to build on every day with my dogs, and do not want this lovely public walk way to be built on. The flooding on these fields is also huge in the winter. The gorgeous nature reserve the village have just made will also be damaged by this development, and all the deer, rabbits and bats we see at dusk. I would imagine all of that would disappear too!! We need to stop building in Bloxham, and keep it rural!! Bloxham can not cope with the size of its community now, so it is ludicrous to add to it!
