Subject: New comments for application 19/01705/OUT

New comments have been received for application 19/01705/OUT at site address: Land Adjoining And West Of Bloxham Recreation Ground South Newington Road Bloxham

from Peter Lockwood

Address:

Spring Cottage, Unicorn Street, Bloxham, Banbury, OX15 4QA

Comment type:

Objection

Comments:

This is a development that would further urbanise Bloxham and render all the time and money spent on the Village plan completely wasted and ignore the opinions of the residents used to formulate this plan.

It will add even more traffic to the already congested High Street, and more students trying to get into the already full schools. Any suggestion that the infrastructure will be able to keep pace with this is unrealistic.

The development is also adjacent to the Slade nature reserve which will then be almost enclosed by developments making it much less viable as a wildlife haven
