

copies again are is quite  
frightening.

The Rural character of the  
Grade Native Reserve may  
not be directly damaged ~~the~~  
but the area of interference and  
damage will spoil a valuable  
asset.

I am sure many other resi-  
dents can point out many  
other significant if not  
dangerous consequences.

I protest strongly at the  
development again. We have

Bloxham  
OX5 4TD

Re. Gladman intentions for  
still more housing in Bloxham  
alarmed my wife and I.  
Several points I would like to  
make.

- Several housing estates  
have been built on the periphery  
of the village in the last few years  
which has already damaged  
the character of the village. You  
will know the number and the  
extensions along the Tadmarton  
Rd, the Witten Rd., the Barford Rd.

already ~~been~~ suffered  
enough.

Yours sincerely

The pressures on the services  
have been excessive already  
- the Primary School is full  
and the pressure on parents  
taking their children to/from  
school is dreadful and dan-  
gerous.  
- the Surgery at Godswel likewise  
is under huge pressure.  
If more building should be  
allowed basic conditions like  
flooding will increase because  
of the huge increase in impervious  
surfaces.  
- Traffic is positively dangerous  
with the flow of cars, vans and
